Clarke's Reminiscences

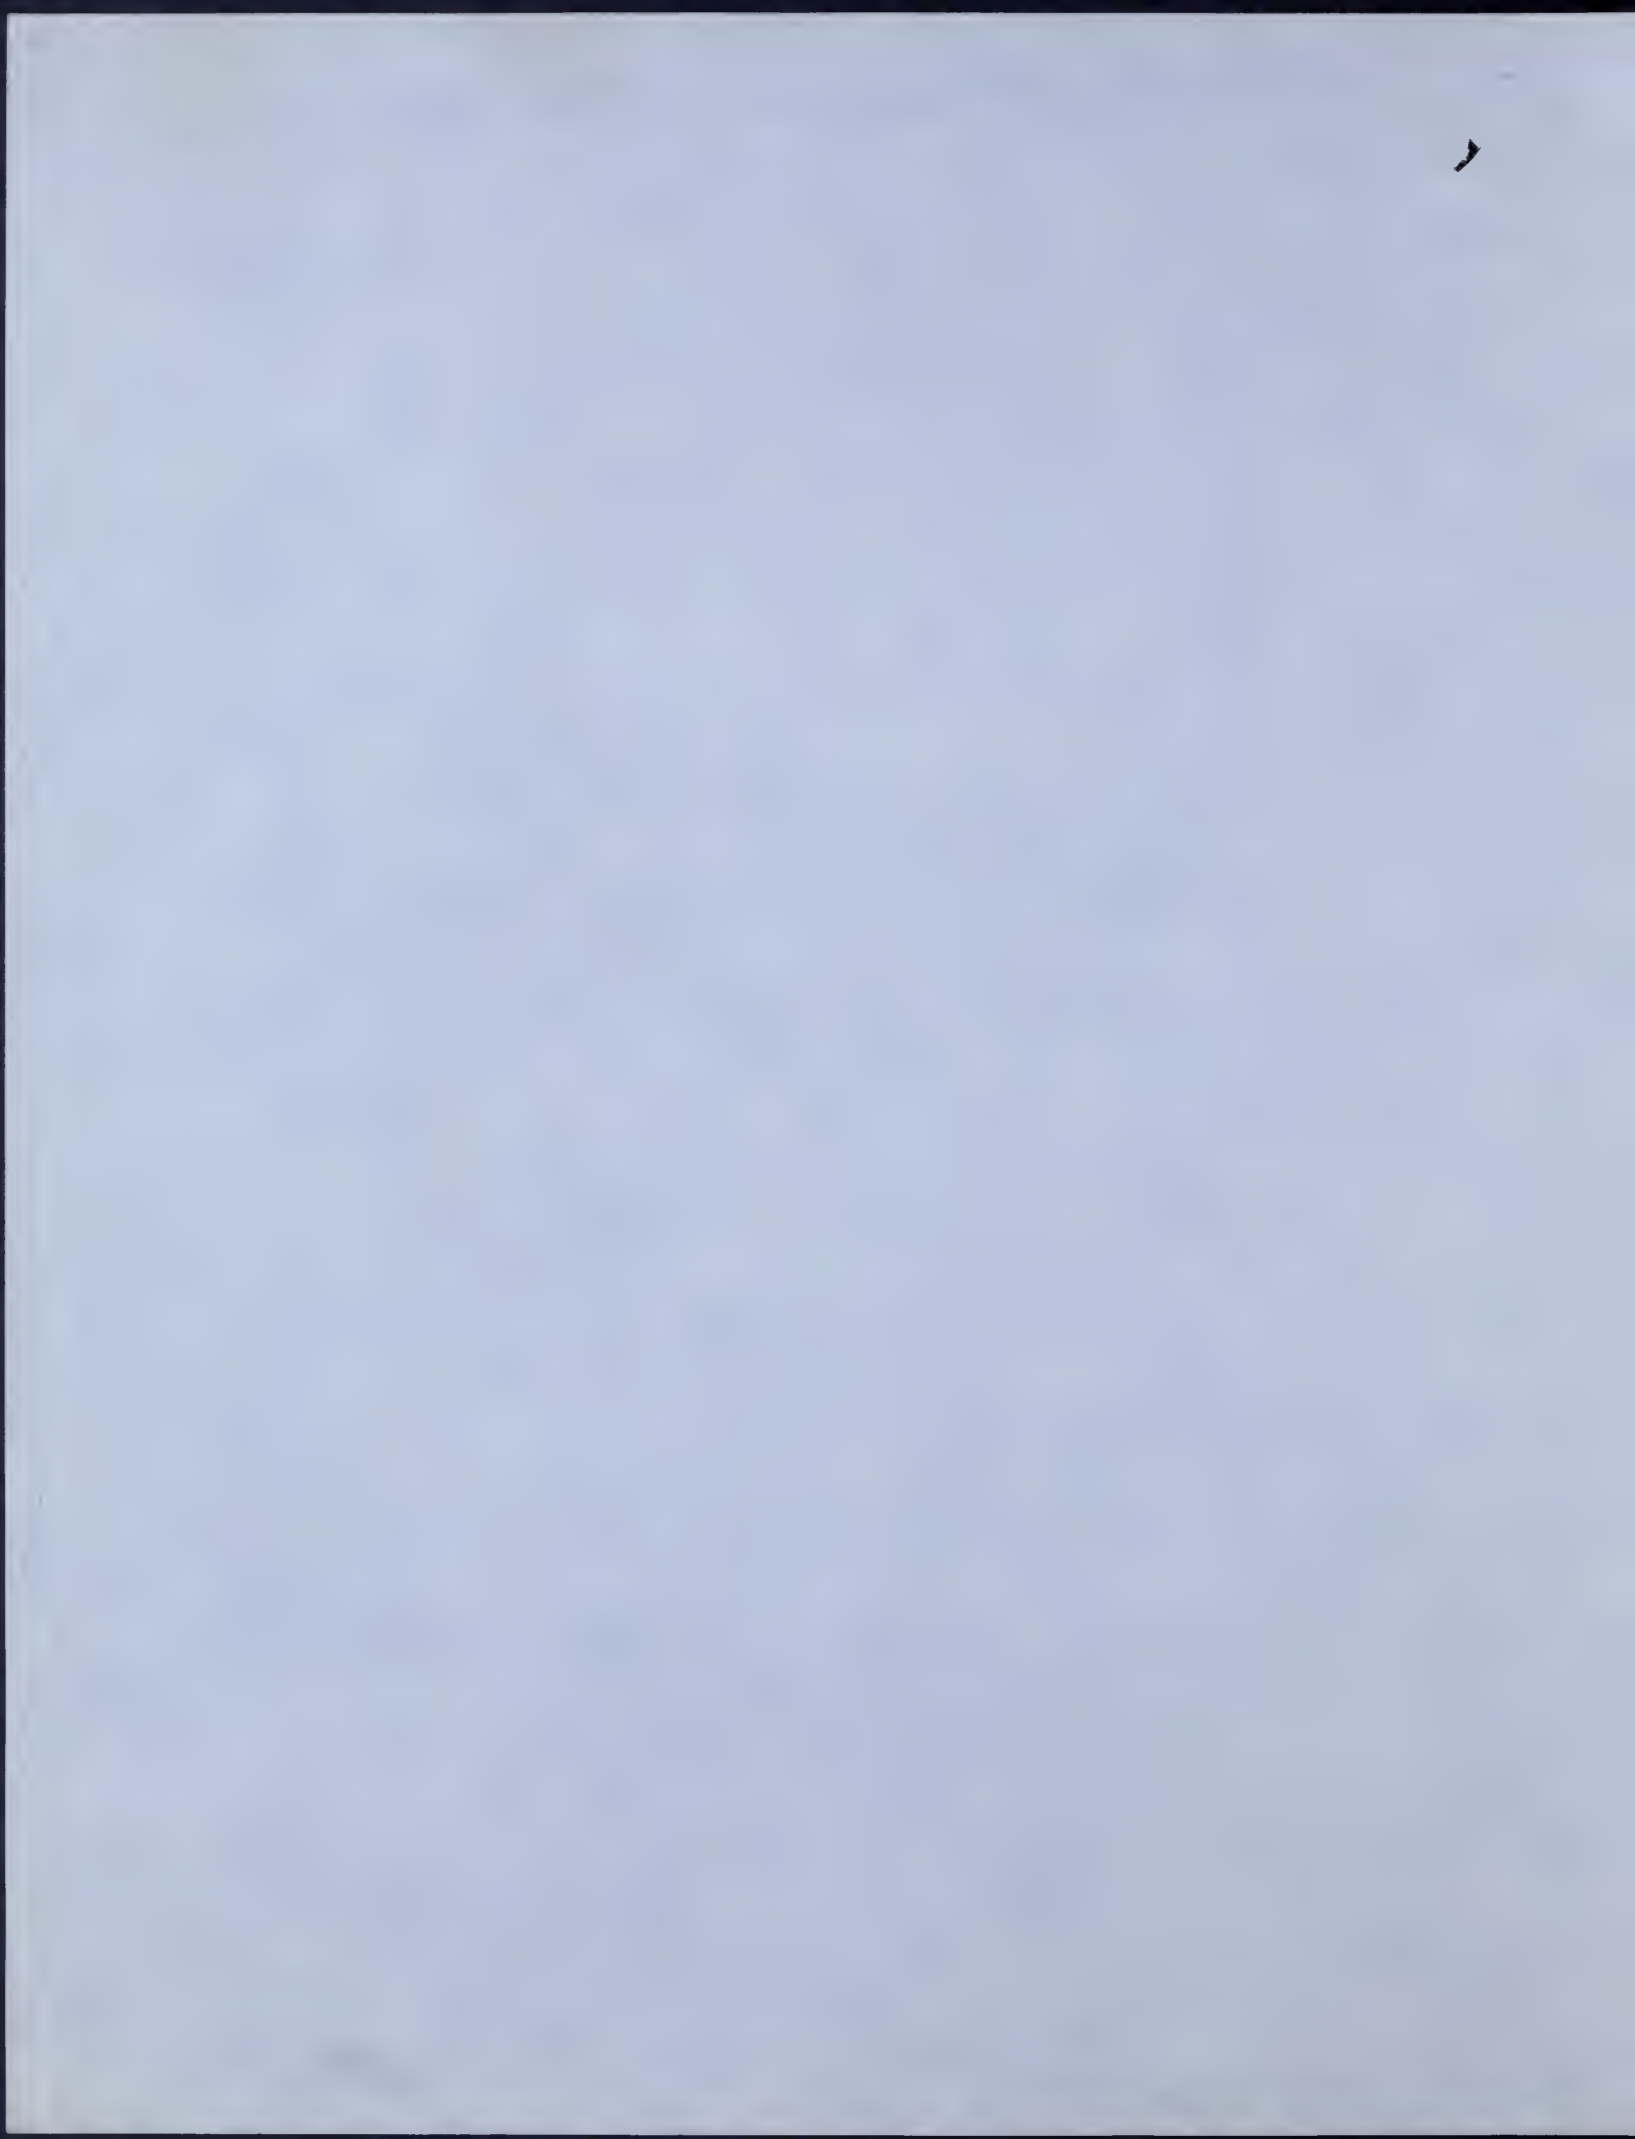

Mr. Nicholas Lake occupied lot number 39, but soon left it. It has been occupied by various persons since, and is now leased by a Mr. Davy, from England

Fairfield

This house, called "Champignon" (from its mushroom shape probably) I found described in an old Kingston paper of the thirties (1830s) in a "for sale" advertisement by its then owner, a Mrs Graham, as a cottage with a covered veranda seventy feet long and servant's quarters in the rear. Recommended as a gentleman's residence. The woodwork was largely walnut and there was some beautiful imported furniture that would turn the modern antique hunter green with envy, but it all went up in smoke before the middle of the century - having been left in the care of a tenant.

On the bluff just west of Champignon was Mount Charles.

Mr. Arthur D. Graham,
P. O. Box 266,
Hull, Quebec.

Dear sir:

I have your letter of 18th inst., and in answer I propose to tell you what I should have told you when you called on me some time ago. By this I mean that you are wasting your time fiddling about, and getting nowhere. I should have told you to advance me and my daughter the sum of \$25.00 and let us search your query. What is needed is search of the registry offices in Kingston and Napanee for land records and possible wills. Then, there are the church records---Anglican records are in good condition; Presbyterian are a little more difficult. Then, there are cemeteries to be searched. All these you might do yourself, if you stayed a couple of weeks in this area, but it is my experience that knowing the ropes in these matters is worth a great deal.

I am writing a book of reminiscences and early items of the Kingston area. In addition, I see a few old patients. So, I am a busy person. However, my daughter, with two boys in university, and a third in High School, has some time on her hands. She is also familiar with my methods, and is a capable person.

Think the matter over.

Sincerely,

A handwritten signature in blue ink, appearing to be 'JG' or similar initials, written below the word 'Sincerely,'.

Dr. H. C. Burleigh,
Bath, Ontario.

Dear Dr. Burleigh - I hope you have come through St. Patrick's Day and the rest of this rotten winter in good health. I have finally got back to my Family History business and find that even with your kind assistance I have not yet solved the mystery of the Champignon - Graham connection.

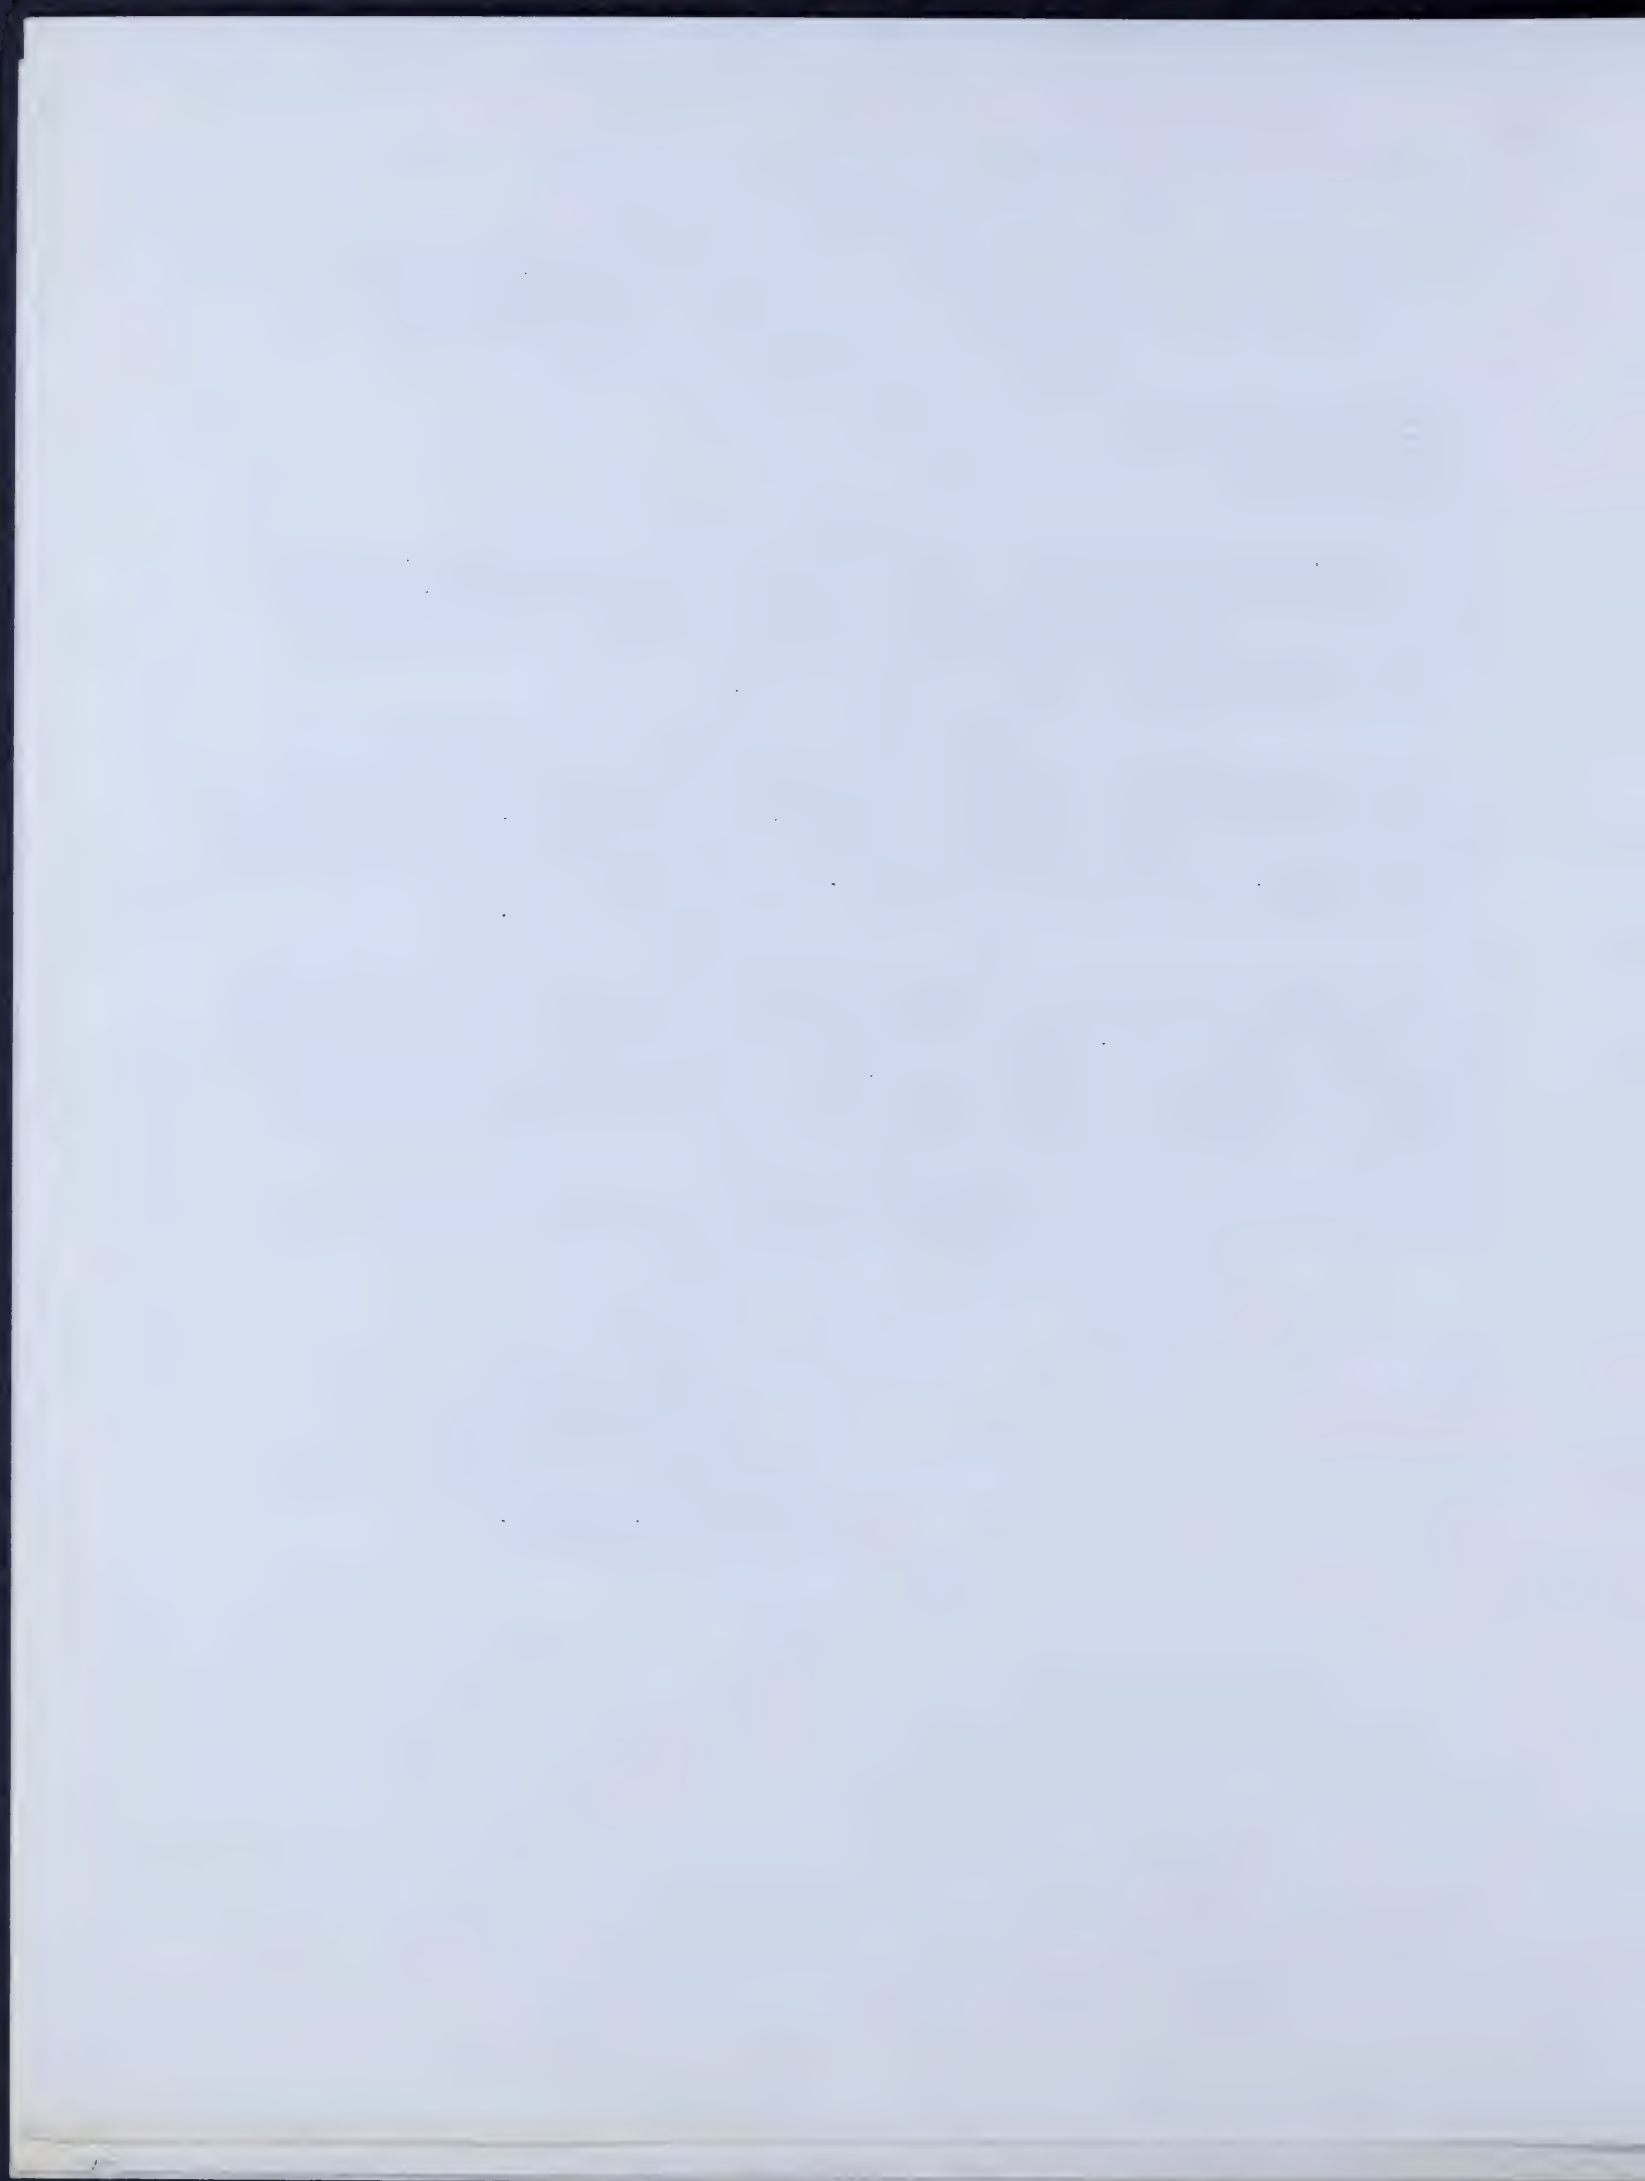

To refresh your memory, if necessary, my G. Grandfather, Duncan Graham, used "Champignon Cottage, near Kingston" as an address when writing the 10th. February, 1837. Through most of 1841 an add ran in the Kingston paper offering a farm for sale "apply Mrs. Graham of Champignon". As my G. Grandfather was not married till 1843 this all becomes very interesting to me.

I have now obtained maps of this area and after talking with you I selected lots 31 and /or 32 as the site of Champignon Farm. By the enclosed letter you can see that the Registrar finds no Graham here. I am also enclosing the map and return envelope with the hope that you can suggest a further line of research in the interest of local History.

Wishing you all the best and thanking you in advance for whatever you can do for me,

Sincerely,

Arthur D. Graham.

Question 1:

Who was Mrs. Graham of "Champignon Cottage." What is the connection with Duncan?

Question 2:

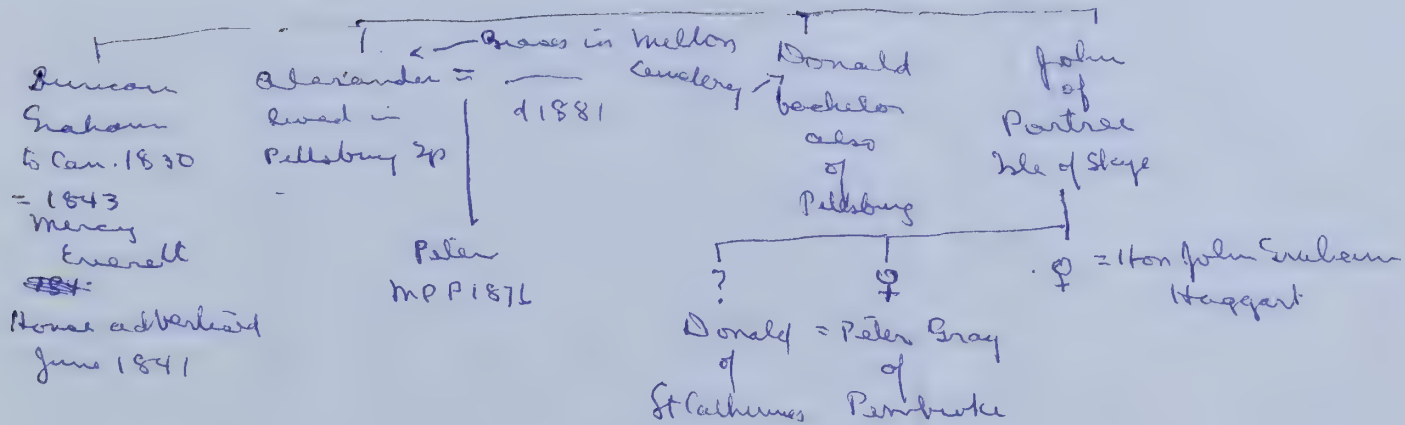

I find the graves of Donald and Alex's family all in the Old Milton Cemetery. Why is Alex not there too? His wife's stone says—"of late Alex. Graham." Dated 1881

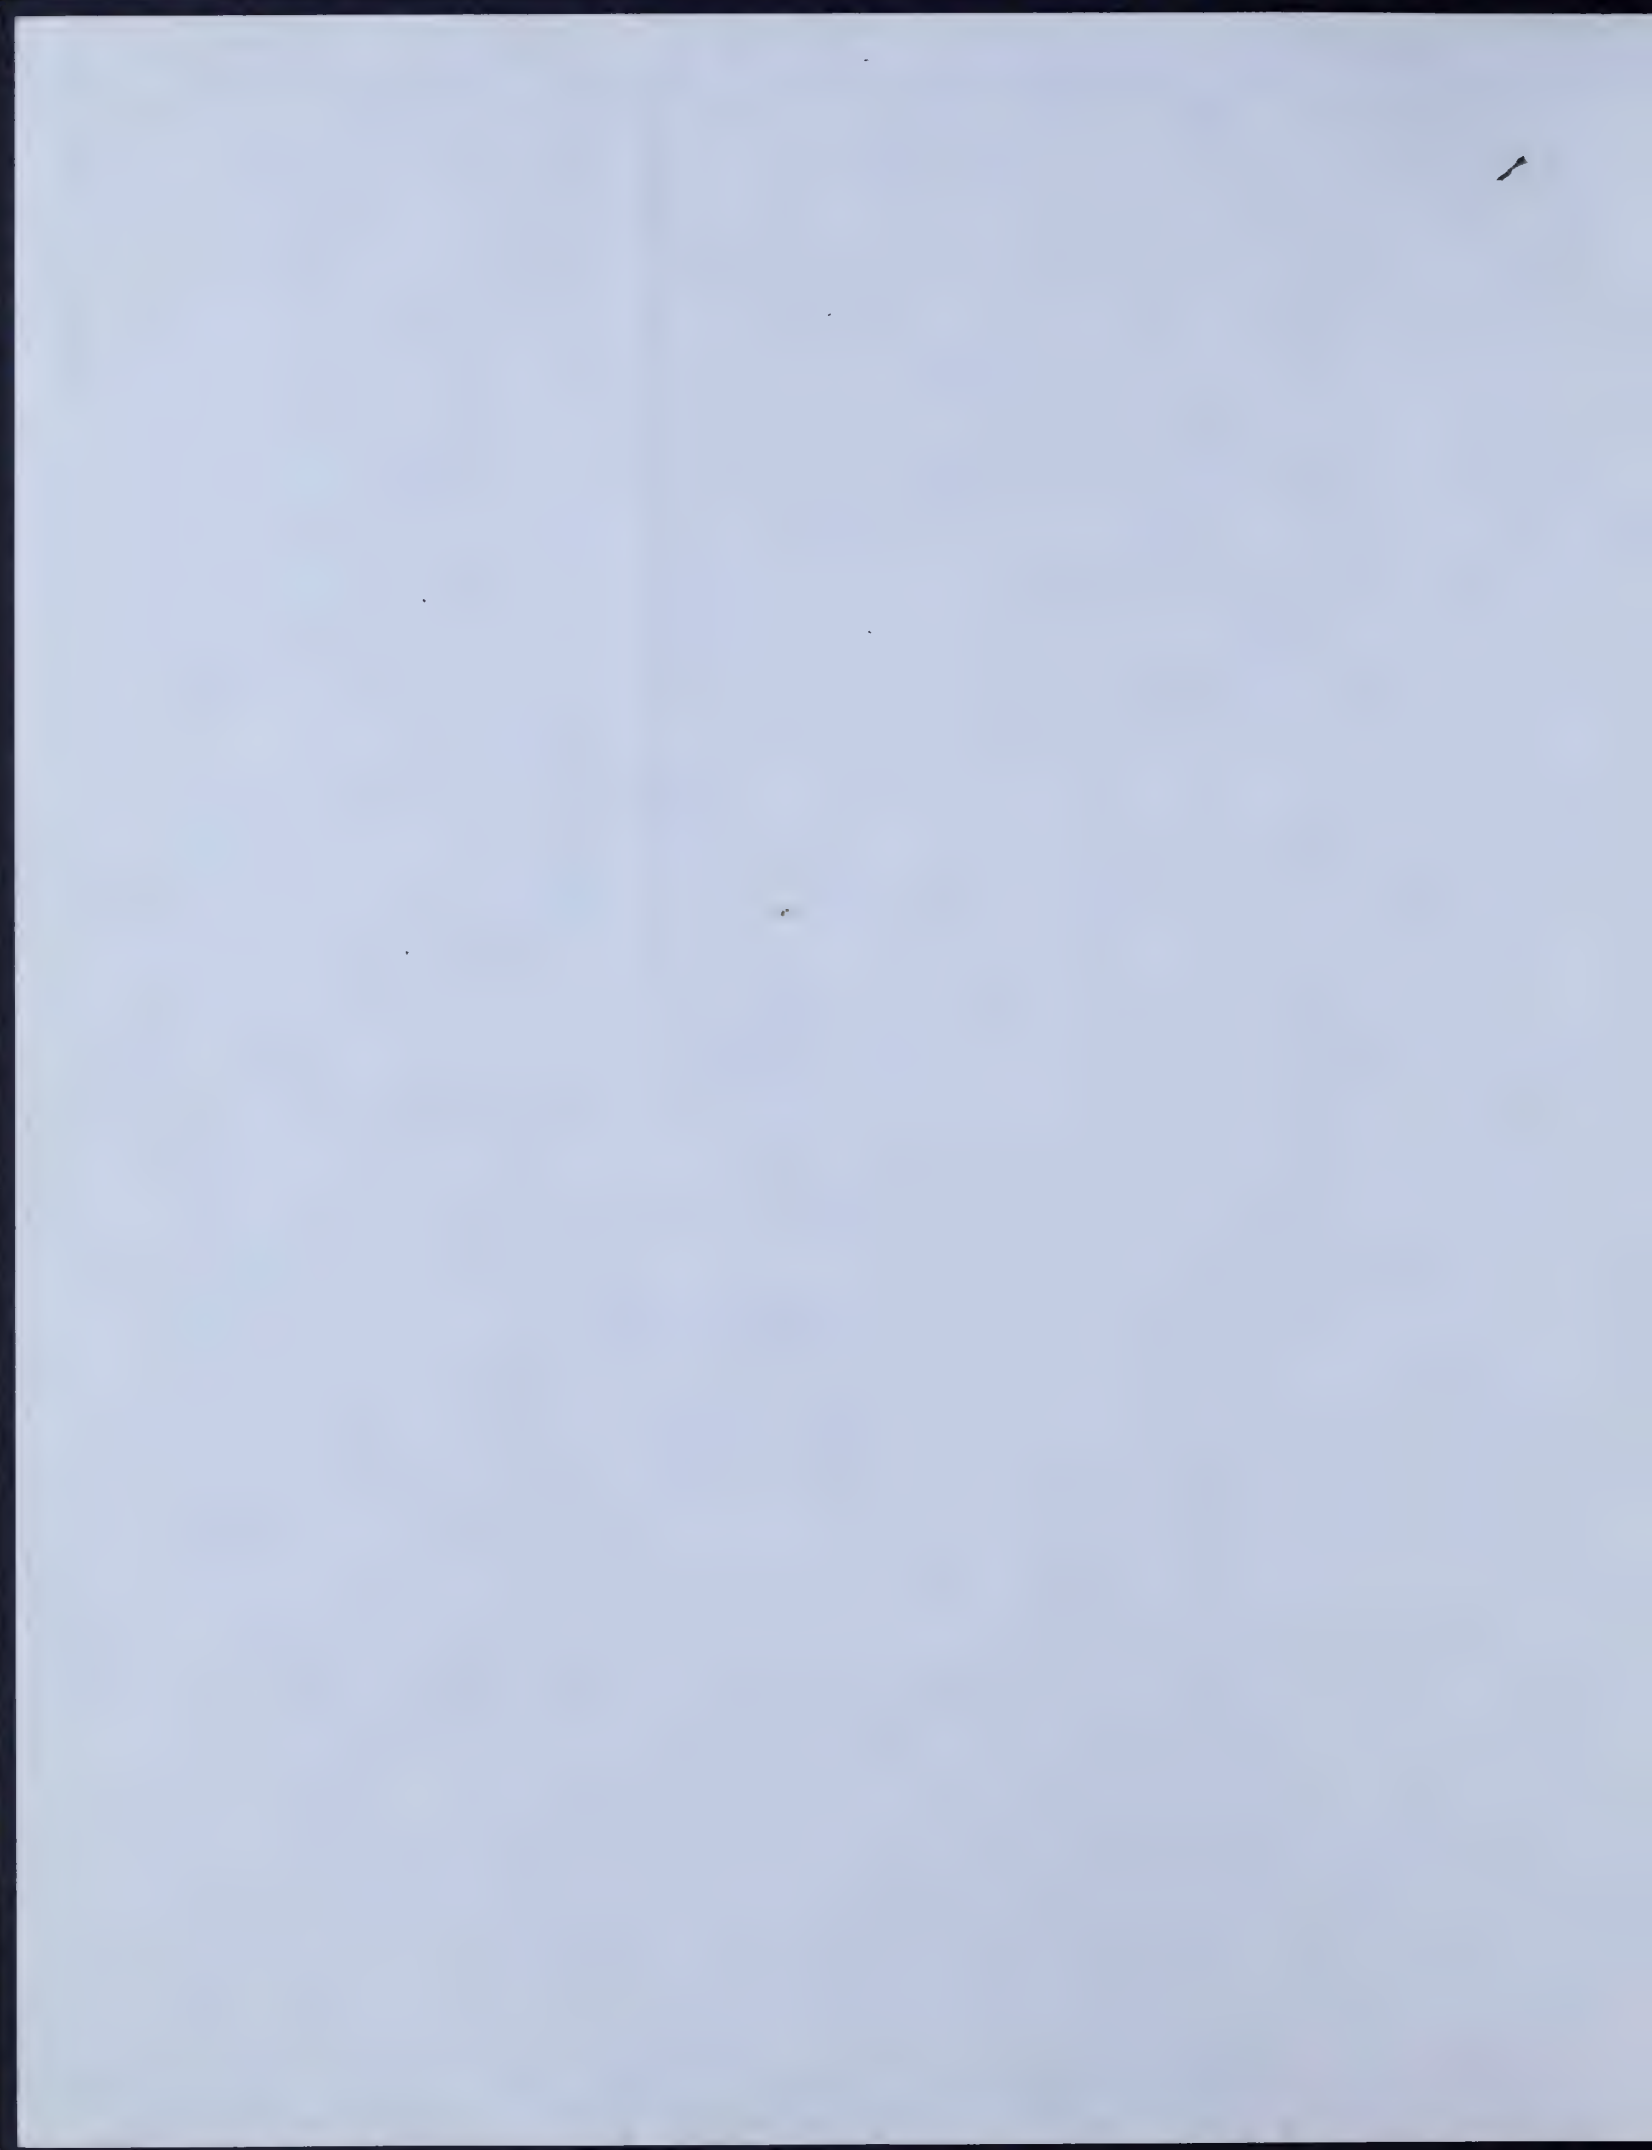

Note: Duncan and his family are buried at Ottawa. He was Collector of Customs, Bytown.

Hope you enjoy this type of exercise.

Sincerely,

Arthur D. Graham.

Dear Dr.Burleigh:

Hope my visit didn't spoil your dinner.
You said I might write you on the problem of my Great

It looks like this:- Duncan Graham
arrives in Frontenac Co.,C.W., from Argyleshire,Scotland
in 1830.

February 1837 Duncan Graham writes to
Govt.House re appointment giving address as -
"Duncan Graham Esq.,
Champignon Cottage,
Near Kingston."

June 1841 a farm with Cottage,eight
miles from Kingston on Bay of Quinte, is advertised for
sale in newspaper. "Apply Mrs.Graham of Champignon."

Duncan Graham married to Mercy Everitt
1843.

Duncan had a brother,Alexander,who had
a farm in Pittsburgh Twns'p 6 $\frac{1}{2}$ miles East of Kingston
near Milton. Alex is married and father of Peter Graham,
M.P.P. 1876. Duncan had another brother,Donald,also at
Pittsburgh,a bachelor. A third brother,John, alawyer at
Portree,Skye,Scotland, married,may have come to Canada.
John's daughter was the mother of Hon.John Graham Haggart,
P.C.,etc. of Perth. Another daughter was Mrs.Peter Gray of
